welcome.

The boarding houses at Bournemouth Collegiate School welcome boys and girls from the United Kingdom and overseas from ages 11 to 18. The school offers an attractive set of full, weekly and flexi-boarding options. There is a long tradition of boarding at BCS and the accommodation and setting provides a stimulating and caring environment in which each boarder is treated as an individual. We encourage everyone to develop their character, personality and talents within the framework of the boarding community enabling boys and girls to grow in confidence and independence.

a place to call home.

As well as enjoying a comfortable and caring home environment in spacious accommodation, boarders also have access to a host of activities at evenings and weekends, many of which make good use of the local beaches and towns. Boarders have access to modern, comfortable and relaxing common rooms. They enjoy full access to all the facilities on the school premises, the beautiful grounds and the outdoor and indoor sports venues, including the 25m pool. The safety and security of all our boarders receives the highest priority, without inhibiting their sense of freedom. Communication with home is supported through a variety of modern technologies.

all round support.

Staff take an active interest in the pastoral and academic welfare of all boarders. We expect everyone to uphold strong community values and our boarding family is based on honesty, respect and consideration of the needs of others. The boarding staff live within the boarding houses and medical support is provided by qualified persons. There is always an adult presence without invading the pupil's sense of privacy. The benefit of boarding life is demonstrated by the many and varied successes of our boarders.

Bournemouth Collegiate School has excellent road and rail links with the rest of the United Kingdom (under 2 hours by train or road to London), with good connections to Heathrow (2 hours) and Southampton (45 minutes) international airports. Bournemouth airport is 10 minutes from the school.
